

HARNESSING AI IN ASSESSMENT DESIGN

Some ideas to get
you started...

1

COMPARE AND CONTRAST

Have learners compare and contrast AI-generated content with their original content

2

CRITIQUING AI

Have learners critique and rank AI-generated content

3

RUBRIC DESIGN

Have learners design a rubric to evaluate AI-generated content

4

DIFFERENTIATION

Have learners complete assessments that have been created by AI.

5

IMPROVING OUTPUT

Have learners improve the output generated by AI on a topic/task
