

New Brunswick Curriculum Framework for Early Learning and Child Care ~ English

Connecting curriculum to everyday practice

About the Course

The New Brunswick Curriculum Framework for Early Learning and Child Care online course introduces educators to the provincial curriculum framework and its role in guiding quality early learning and child care practice. Throughout the course, participants engage in readings, videos, reflection activities, and practical learning experiences that encourage them to connect new learning to their daily work, reflect on their practice, and apply the Curriculum Framework in meaningful ways within their early learning and child care setting.
