Professional Learning Guidelines (Anglophone) – Clarification

Individuals participating in the 90-hour Introduction to Early Childhood Education Online course remain exempt from the 10 hours of professional learning. Upon completion of the 90 hour course, individuals are responsible to complete 10 hours of professional learning.

Exception to the rule:

Any educators that had completed the 90-hour Introduction to Early Childhood Education Online course and are now enrolled in the regular or micro-credential Early Childhood Certificate program are exempt from the 10 hours of professional learning. Once the course is complete, educators are responsible to complete 10 hours of professional learning.
